

## MOTIVATION LETTER GUIDELINES

*Dear candidate,*

*please describe your personal motivation to become part of the Master programme by writing a letter (1-2 pages). Below you find some guiding questions you are requested to answer. Please upload your motivation letter as PDF into the enrollment dossier.*

- What does “Agroecology” and “Food Sovereignty” mean to you?
- Describe experience(s) that contributed to developing your interest in the content of this Master programme.
- Give two reasons why you wish to enroll in this Master programme.
- What are your expectations for your participation in this Master programme?
- What are your goals for the future after completion of the Master programme?
- Which challenges do you foresee in moving to the University of Gastronomic Sciences, Pollenzo, Cuneo, Italy?
- What could be your preferred location (country) and theme (e.i. biodiversity, gender issues, soil quality, food marketing, ...) related to the community experiential phase of this Master programme?
