

Attachment 2: Entrance test

Respond to the following questions in a maximum of 500 characters each (spaces not included).

1 Previous study

Provide a list and brief descriptions of your previous study (starting from high school), including any professional training (e.g. professional training courses, language courses). NB: Attach to this form copies of any documentation that could be useful for assessment (e.g. certificates, report cards, certificates of exams taken).

2. Work experience in the food and catering sector

Provide a list and brief description of any previous work experience in the field of food production, processing or marketing or in hospitality and catering. NB: Attach to this form copies of any documentation that could be useful for assessment (e.g. reference letters, certificates, diplomas).

3. Other significant experiences

Provide a list and brief description of any other experiences (e.g. travel, volunteer work, work in sectors other than food) that you believe is relevant to your application to study at Pollenzo. NB: Attach to this form copies of any documentation that could be useful for assessment (e.g. reference letters, certificates, diplomas).

4. What are the gastronomic sciences?

Based on your experience, readings (see recommended bibliography) and knowledge, describe what the gastronomic sciences are to you and what their scope is.
